Re: State v. Alexander Maszkiewicz

On Monday, December 22, 2025, Alexander Maszkiewicz, 27, of Aberdeen, was sentenced to twenty-five (25) years of incarceration, suspending all but eighteen (18) years to serve by the Honorable Diane Adkins-Tobin in connection with an October 2023 shooting in Aberdeen, Maryland.

Following a three-day jury trial, Maszkiewicz was convicted by a jury on November 4, 2025, after the State proved that on October 18, 2023, approximately ten gunshots were fired in the 100 block of New County Road in Aberdeen. At the time of the incident, no witnesses or victims came forward, and the investigation initially went cold.

Despite the lack of immediate leads, Detective Lightner of the Aberdeen Police Department continued to pursue the case. In mid-2024, Detective Lightner received a critical ballistics lead that identified a possible suspect as Alexander Maszkiewicz. Through diligent and persistent investigative work, Detective Lightner was able to locate the Glock 43X used in the shooting and ultimately charge Maszkiewicz in relation to the shooting. Following the presentation of evidence in this case, the jury deliberated for 90 minutes, returning guilty verdicts against the Defendant on all charges presented, to include Illegal Possession of a Firearm by a Convicted Felon, Handgun on a Person, and Reckless Endangerment. The Defendant's Maryland Sentencing Guidelines suggested a period of incarceration of five (5) to eight (8) years of incarceration. However, Senior Assistant State's Attorney Joel Muneses was able to successfully argue for an upward deviation of the sentence in this case.

Following the sentencing State's Attorney Alison M. Healey issued the following statement: "This case underscores the dedication of local law enforcement and further reinforces my office's ongoing commitment and collaborative approach with law enforcement to investigate, charge, and convict violent offenders. Our focus continues to be protecting the citizens of Harford County by holding violent offenders accountable, even when cases begin with few leads." State's Attorney Healey further commends Detective Lightner on his outstanding investigative work in this case and Senior Assistant State's Attorney Joel Muneses for his unwavering dedication to justice.
